FLEET SERVICE & MAINTENANCE¹

Services We Offer

Laois Auto Care Ltd. - Fleet Service & Maintenance Information Sheet

About Us: Laois Auto Care Ltd. specializes in providing top-quality service and maintenance for commercial fleet vehicles. We understand the specific demands of commercial fleets and offer customized solutions to ensure your vehicles are always in optimal working condition, reducing downtime and ensuring compliance with national regulations like the NCT (National Car Test).

Fleet Maintenance

Comprehensive, scheduled service plans to keep your vehicles running smoothly.
Routine inspections to catch and fix minor issues before they lead to costly repairs.

NCT Preparation

Full vehicle inspections to ensure compliance with NCT standards.
Pre-NCT tests and any required adjustments or repairs to help prevent test failures.

Repairs

Immediate attention to any mechanical or electrical issues to get your vehicles back on the road as soon as possible.

Tyre & Brake Replacement Services

Regular monitoring and replacement of tyres and brakes to ensure maximum safety and roadworthiness.

Vehicle Recovery Support

While we do not offer direct breakdown assistance, we work closely with trusted local recovery partners to ensure that your vehicle is safely transported to our workshop for repairs.

Fleet Monitoring

We maintain detailed records of each vehicle's service history, enabling you to track maintenance schedules and ensure all vehicles are properly maintained.

Why Choose Us

Minimized Downtime: We prioritize quick turnaround times to keep your fleet operational.

Cost-Effective Solutions: Tailored service packages designed for commercial fleets.

Experienced Technicians: Our skilled mechanics specialize in all types of commercial vehicles.

Dedicated Support: Our team is available to assist you with any inquiries or issues that may arise.
